THE MAYOR of the City questioned carefully the perbefore the ware facts.

Does it require more than we have already published about Connel's Magical Pain Extractor, to induce every family always to keep it in the house? If it does, the following, sworn to before the Mayor of this City, will compel all to admit that it will save life at least in every case of burn or scald, if the vitals are undestroyed.

the vitals are undestroyed.

My daughter was dreadfully scalded with boiling hot water almost all over its thighs, legs, and all over its feet. The child was in dreadful agony. I went to Comstock & Co. 21 Courtland street, and bought a box of 'Connel's Magical Pain Extractor.' A young man from there came and dressed it. It had then begun to blister dreadfully, the child screaming all the time, and I do as what the school as the state of the screaming all the time. the time, and I do say that the instant relief that the salve gave must be seen or felt to appear at all credible. And such was the perfect ease that it gave that the child was ASLEEF in JEN. the perfect ease that it gave that the child was ASLEEP IRTEN MINUTES after it was dressed. This salve undoubtedly saved its life, and if my recommendation be of any avail to induce every family to keep this life preserver at hand, I shall but do my duty to my God and my fellow creatures. Not a blister arose after it was applied, and those that had already arisen were almost instantly reduced, and the child is almost well.

Will methers now risk the lives of dear children, when for a few shillings a remedy can be had that in every case of accident by fire or scald, if the vitals are uninjured, life will be saved. We also assert without the possibility of doubt that every external sore, old or fresh, and all external pains, aches and itchings, no matter where, shall be reduced to comfort by it in five to ten minutes, saving life, limb or scar. This is strong language, but you may depend its power will fully justify it. The Salve is to be found genuine only at 21 Courtland street.

The Caution.—Be sure and get Connel's, as our plate with Dalley's name on it has been stolen, and counterfeit and worthless may appear under that name. See that it is direct from Comstock & Co. or never touch it. This great Salve has now been placed within the means of all, that rich and poor, high and low, may enjoy its comforts. The size originally sold for 50 cents is now sold at 25 CENTS, and the middle size now holds threet times, and the dollar size near ten times as much as the small.
